Coyote Lake-Harvey Bear Santa Clara County Parks

Project Fact Sheet

TRAIL OVERVIEW

V-O-Cal volunteers will work to create a new trail to Mummy Mountain. While the initial trail alignment will be made by a "Sweco" dozer, there will be much finishing and refining work done to make the alignment safe, sustainable and reinforced. Volunteers will also work to build several rock retaining structures along the trail segment. The trail will approach the peak of Mummy Mountain, allowing for outstanding views of Coyote Lake and the South Bay. Volunteers will be divided into groups of 8-12 and placed with a certified Crew Leader who will provide guidance and ensure a safe work environment. All tools and training are provided for volunteers.

Project Background

Coyote Lake-Harvey Bear Ranch Park, located east of San Martin and Gilroy in the Diablo Range, is a 4,595 acre park home to the 635 acre Coyote Lake. The park contains over 15 miles of hiking, biking and equestrian trails along with a lake open to boating, jetskiing, waterskiing, sailing, kayaking and fishing. The park's visitor center offers exhibits on local wildlife, as well as a year round interpretative program. The park also has several picnic areas as well as the Lakeview Campground, the location of V-O-Cal's center camp for the project weekend.

Center Camp

Volunteers will check-in, make breakfast and lunch, and camp at the Lakeview Campground on Coyote Lake. Camping is optional, but is a great way for volunteers to relax and socialize with other volunteers after the work day. Dinner will also be served at the campground on Saturday evening. Please be sure to bring your own utensils, plate, coffee and beer mug to minimize waste from the project. Hot showers are also available at this campground to clean up after the work day.

Volunteers for Outdoor California engages the community through large scale environmental stewardship projects on public lands. V-O-Cal Partners with public agencies and other non-profit organizations throughout northern California.

- **SHARP TOOLS:** Please listen to your crew leaders tool safety talk and observe proper tool use throughout the day.
- **HYDRATION/SUN EXPOSURE:** It may be HOT! Please drink plenty of water throughout the work day. Wear a sun hat and sunscreen. If you feel tired or weak, let your crew leader know and take a break.

WAIVER AND RELEASE
VOLUNTEERS FOR OUTDOOR CALIFORNIA

EXCULPATORY AGREEMENT, RELEASE, ASSUMPTION OF RISK, AND INDEMNIFICATION

READ THIS DOCUMENT CAREFULLY BEFORE SIGNING. THIS DOCUMENT IS A BINDING PART OF YOUR PARTICIPATION AGREEMENT AND MAY HAVE SIGNIFICANT CONSEQUENCES.

In consideration of my being allowed to participate in the Volunteers for Outdoor California Project (the "Project") and on behalf of myself, my heirs, executors, administrators, legal representatives, assigns and successors in interest (hereinafter collectively designated as "successors"), I do hereby release and waive all rights or claims for damages, for death, bodily injury or loss of or damage to property from any cause whatsoever I may have or which may accrue to me or my successors as a result of my participation in the Project. I discharge and release Volunteers for Outdoor California, and its respective directors, employees, interns, volunteers, representatives, agents, parents, subsidiaries, and affiliates from any and all liability arising out of or connected in any way with my participation in the Project, whether or not caused by the negligence of any of the above persons or entities.

My participation in the Project is voluntary and done at my own risk. I therefore voluntarily assume all risks of loss, damage, injury or death that may be sustained while participating in the Project. In addition, I agree to hold harmless from any and all claims, damages, losses, liabilities and costs (including without limitation reasonable attorneys' fees, expert witness expenses, litigation costs, and disbursements) all the entities and persons mentioned above who otherwise might be liable to me or my successors for damages.

Notwithstanding anything stated in the foregoing paragraphs, nothing in this document shall apply to exempt any person or entity from responsibility for his, her, or its own fraud, or willful injury to the person or property of another, or violation of law whether willful or negligent.

In further consideration of my being allowed to participate in the Project, I hereby agree to indemnify, defend, and hold harmless Volunteers for Outdoor California and its respective directors, employees, interns, volunteers, representatives, agents, parents, subsidiaries, and affiliates (collectively, the Indemnified Parties) from and against any and all claims, damages, losses, liabilities and costs (including without limitation reasonable attorneys' fees, expert witness expenses, litigation costs, and disbursements) relating in any manner, directly or indirectly, in whole or in part, to: (a) any act or omission of myself; or (b) any accident involving any injury to any person or damage to property resulting from my participation in the Project, due to any cause whatsoever.

I further agree to promptly assume my defense and indemnification obligations upon written notice from any of the Indemnified Parties who may participate in the defense of any claim at their own expense. I agree not to settle any claim without the consent of Volunteers for Outdoor California or any other entity that would incur any liability for such claim under or following such settlement, which consent shall not be unreasonably withheld.

I further understand that I may be photographed while participating in a Volunteers for Outdoor California project and I hereby consent to the use and distribution of photographs and other likenesses of me on VOCal's website, or in marketing and other materials relating to Volunteers for Outdoor California's mission.

I further understand and agree that this waiver, release, and assumption of risk is binding on my successors.

I further represent and warrant that I am advised of the existence of California Civil Code section 1542, which provides as follows: A general release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time of executing the release, which if known by him must have materially affected his settlement with the debtor.

Notwithstanding this provision, this will constitute a full release in accordance with its terms. I knowingly and voluntarily waive the provisions of Section 1542, as well as any other statute, law or rule of similar effect, and acknowledge and agree that this waiver is an essential and material term of this release.

I HAVE CAREFULLY READ THE FOREGOING DOCUMENT AND UNDERSTAND THAT I AM WAIVING IMPORTANT LEGAL RIGHTS, ASSUMING THE RISK OF FINANCIAL LOSS, BODILY HARM OR DEATH, AND THAT I AM AGREEING TO PROTECT AND DEFEND THE INDEMNIFIED PARTIES AT MY OWN COST. I UNDERSTAND THAT THIS IS A LEGALLY BINDING CONTRACT BETWEEN MYSELF AND OTHERS. I HEREBY WARRANT THAT I HAVE THE RIGHT TO CONTRACT IN MY OWN NAME, OR IF ACTING ON BEHALF OF A MINOR, HAVE EVERY RIGHT TO CONTRACT FOR THE MINOR IN THE ABOVE REGARD.
